Sponsored By — WESTERN SHORTHORN BREEDERS' ASSOCIATION

General Information

Location — The sale will be held in the Lamont Sale Pavilion at the Denver Stock Yards, Denver, Colorado.

Terms — The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

Health — All cattle consigned to the sale will be tested for Bang's within 30 days prior to the sale. Each individual animal will be free from T.B., either by test or from a T.B. accredited area. A certificate of vaccination will be furnished for all cattle which have been vaccinated for Bang's disease and do not show a completely negative reaction.

All cattle will be accompanied by a health certificate which will admit the cattle to any state.

Guarantee — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

Announcements from the auction box will take precedence over printed matter in the catalog.

The above terms and guarantee constitute a contract between the sellers and the buyer of each lot. Neither the sale manager nor the person delegated as Clerk assumes any liability, legal or otherwise.

All persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

YOUR WESTERN SHORTHORN BREEDERS ASSOCIATION IS ACTIVE

At a recent Directors' meeting the figures were given out on the average annual gain of the catch-it-calves of all breeds. The catch-it-calf feeding contest was won by a Shorthorn steer, but even more important was the fact that all of the Shorthorn steers averaged more annual gain than any of the average gains of steers of other breeds. In fact, the Shorthorn steers out-gained the Angus steers over 150 pounds per head or nearly a half-pound per day. This year at the National Western there were more local breeders exhibiting cattle than there have been in many years. The result was a very impressive barn full of Shorthorn Cattle. We should all support this important show with a few head of breeding cattle and make it a "Shorthorn Show" every year. At the annual banquet and business meeting held during Stock Show week at the Olin Hotel the following officers were elected to serve the Western Shorthorn Association for 1954:

President - - - - - Russell Cummings, Elizabeth, Colo.
Vice President - - - - - Ernest Lindgren, Yuma, Colo.
Secretary-Treasurer - - - E. R. Hoyt, Rt. 4, Box 238, Denver 8, Colo.

New Directors:

John Shuman, Deertrail, Colo. Alex Cross, Douglas, Wyo.
Allan Abbott, Keensburg, Colo.

Other Directors still serving are:

Paul Kurtz, Rt. 1, Scottsbluff, Nebr.
Charles Jones, Huntley, Wyo. C. R. Asper, Ramah, Colo.
Elmer Kueker, Flagler, Colo. Ben Blake, Hereford, Colo.
